The Association of Superannuation Funds of Australia Ltd (ASFA) is pleased to make this submission to the The Human Rights and Equal Opportunity Commission's National Inquiry into Discrimination against People in Same-Sex Relationships: Financial and Work-Related Entitlements and Benefits which was launched on 3 April 2006.

ASFA is a non-profit, non-political national organisation whose mission is to protect, promote and advance the interests of Australia's superannuation funds, their trustees and their members. Our members, which include corporate, public sector, industry and retail superannuation funds, account for more than 5.7 million member accounts and over 80% of superannuation savings.

ASFA's policy position is to support superannuation and tax legislation which does not discriminate against same-sex partners.
